## WESTERN RESERVE ARCHITECTURAL HISTORIANS

#### PURPOSE:

Western Reserve Architectural Historians was founded in 1965 to provide an opportunity for persons from all professions and backgrounds to meet regularly so that they might understand and enjoy the region's architectural heritage. At least six times per year, through walking tours, on-site visits, lectures, and discussions, WRAH members explore the notable, unusual, and significant in the built environment.

#### AWARDS:

The Western Reserve Award is given when merited, to recognize significant achievements and outstanding contributions to the architectural history of Ohio and the Western Reserve in particular. Some years, as a memorial to Edmund H. Chapman, Professor of Art History, Western Reserve University, a topical book is presented to a local library. On occasion, WRAH trustees may present an award of achievement.
